

Summary of Route Changes – Effective Sunday, May 20, 2018

Monday – Friday Regular Route and Schedule Changes

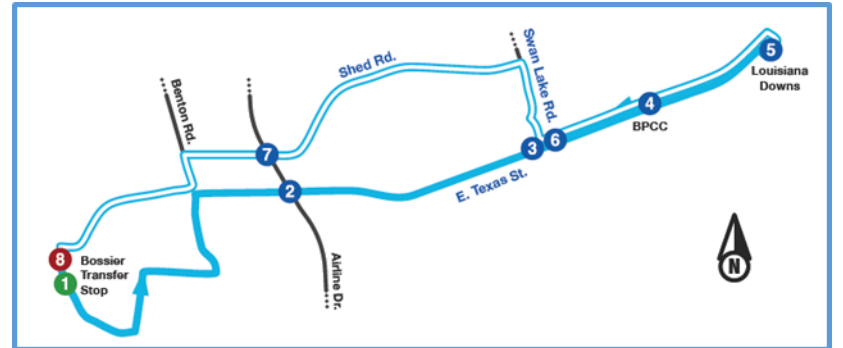

Route 1 – Hearne Ave

The new route goes inbound and outbound on Hearne Ave between the Intermodal Terminal and the Southwest Transfer Hub. All scheduled departure/arrival times have changed for this route. This route no longer serves stops on Linwood Ave. See Route 15 for service on Linwood Ave.

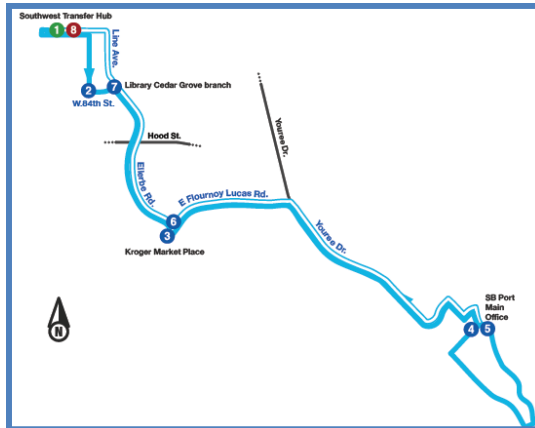

Route 5 – East Bossier

All scheduled departure/arrival times have changed for this route. This route will now serve Barksdale Blvd to Benton Spur on the outbound portion of the route instead of Hamilton Rd.

Route 6 – Ellerbe Rd

This route will no longer serve Linwood leaving the Southwest Transfer hub. This route will go outbound via Fairfield Avenue. There is no change to the inbound part of this route. See Route 15 for service on Linwood Ave.

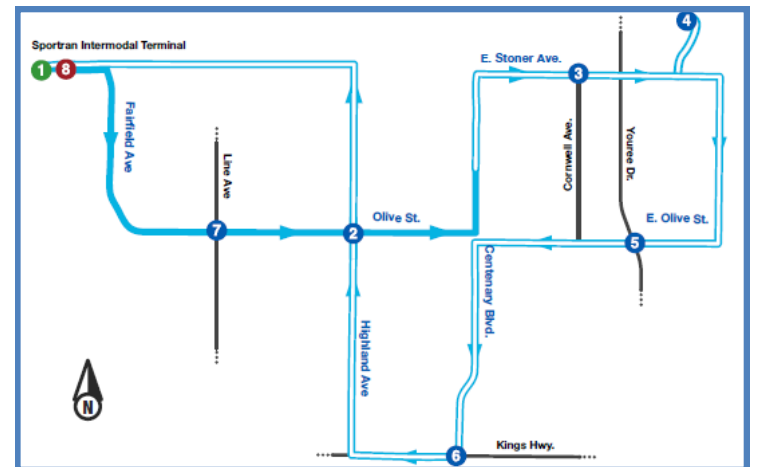

Route 8 – Fern Loop

The schedule has changed for this route for all trips after 9:30am. There is no change to the route.

Route 9 – Highland Loop

This route will no longer turn onto Olive St. coming back into the Intermodal Terminal. The bus will stay on Highland and take a left onto Stoner to return to the terminal. The schedule has not changed for this route.

Route 13 – Lakeshore

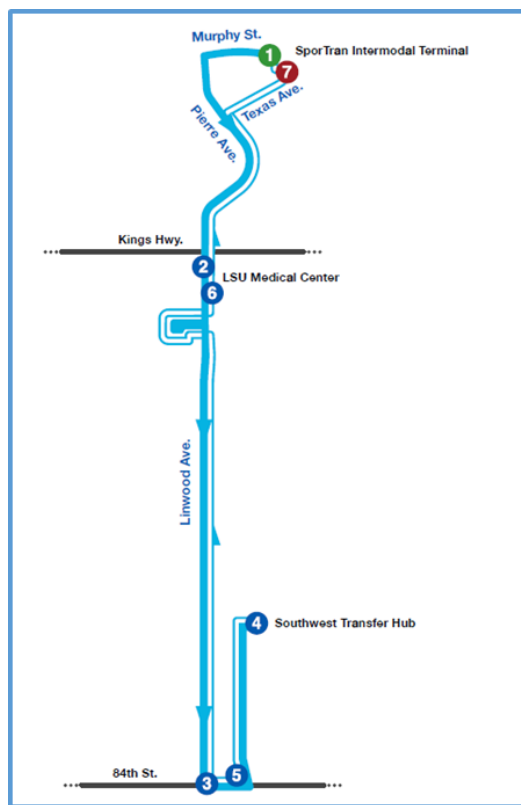

All scheduled departure/arrival times have changed for this route to improve on-time performance. There is no change to the route.

Route 14 – Line Avenue

An additional inbound trip has been added to the schedule in the morning at 5:51am.

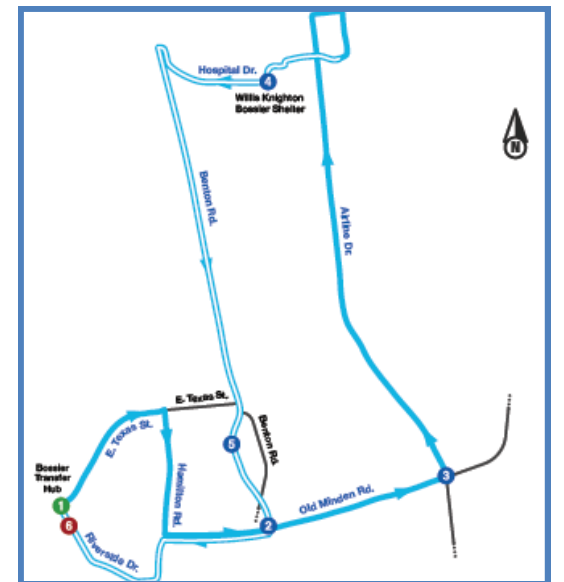

Route 15 – Linwood Ave

This route will replace the LSU Medical Center Circulator and Route 27 – Linwood. The new route goes inbound and outbound on Linwood Ave between the Intermodal Terminal and the Southwest Transfer Hub, with service on Linwood to W. 84th. All scheduled departure/arrival times have changed for this route. This route will serve Claiborne/L.A.B. once in the morning and one time in the afternoon.

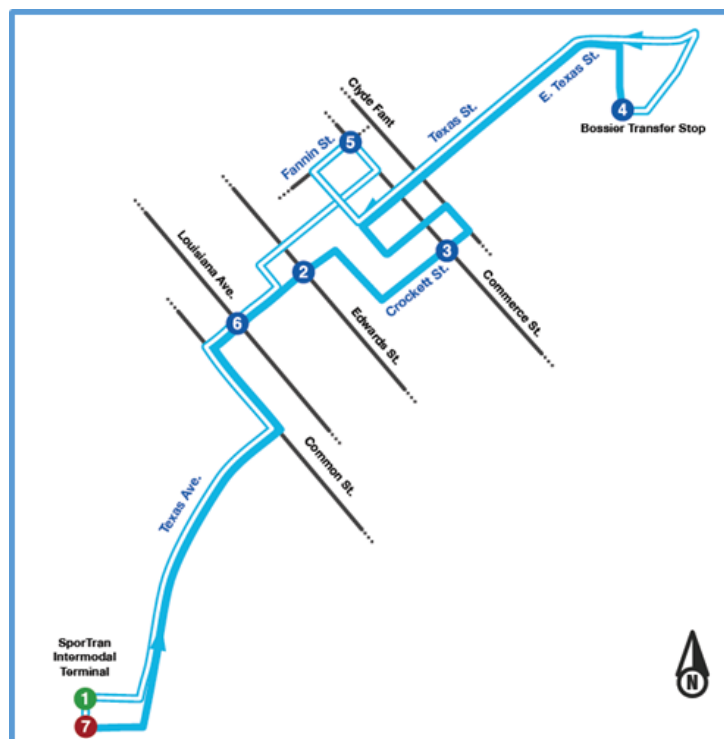

Route 16 – North Bossier

All scheduled departure/arrival times have changed for this route. This route will provide inbound service from Diamond Jacks and Boomtown casinos to the Bossier Transfer Hub.

Route 20 – Shreveport-Bossier Downtown Circulator

This route will now depart the intermodal terminal every 15 minutes with a decreased travel time between the Intermodal Terminal and the Bossier Transfer Hub. The route will serve Texas St to Market St on the outbound trip, and will continue to serve the riverfront via Crockett St before crossing the bridge to Bossier. On the inbound trip, the bus will turn around at Commerce & Fannin and come inbound on Travis St, turn on Marshall St to serve the downtown library at Marshall St & Texas St, and then continue inbound to the Intermodal Terminal via Common St. and Texas Ave.

Monday – Friday Regular Route and Schedule Changes (Continued)

Route 23 – Walker Rd

This route will now serve Mackey Lane on inbound and outbound trips. Scheduled arrival/departure times from the Southwest Transfer Hub will not change, however, many stop times have changed throughout the route.

Route 25 – West Shreveport

The last trip on the schedule has been pushed back by 10 minutes to allow for a later connection with Route 13 – Lakeshore.

Route 26 – Youree Drive

All scheduled departure/arrival times have changed for this route to improve on-time performance. There is no change to the route.

Route 27 – Shreve City

This is a new route with mid-day service only. This route will provide a direct connection between the Southwest Transfer Hub and Shreve City / Knight Street. This bus will serve the Broadmoor library and BHP Billiton YMCA. *See Route 15 for service on Linwood Ave.*

Monday – Friday Alternate Route Changes

The schedules for Bossier service **Route 32 – East Bossier Alternate** and **Route 40 – North Bossier Alternate** have been pushed back by 5 minutes. These routes will also change to match the changes to Routes 5 and 16 listed above.

Route 41 – Shreveport-Bossier Downtown Connector will run every 30 minutes. This route will now follow the same pattern as Route 20, serving the Shreveport riverfront district both outbound (Aquarium stop) and inbound (Fannin St. & Commerce St. stop).

Weekend Changes

Hearne Ave and Linwood Ave will be served by **Route 1 – Hearne Ave** and **Route 15 – Linwood Ave** on Saturdays. All scheduled departure/arrival times have changed.

Route 6 – Ellerbe Rd will no longer serve Linwood leaving the Southwest Transfer hub. This route will go outbound via Fairfield Avenue. There is no change to the inbound part of this route. *See Route 15 for service on Linwood Ave.*

The schedules for Bossier service **Route 32 – East Bossier Alternate** and **Route 40 – North Bossier Alternate** have been adjusted to meet up with Route 41 at the Bossier Transfer Hub. These routes will also change to match the changes to Routes 5 and 16 listed above.

Route 35 – Kings Highway Alternate will be served by an additional trip on Sunday morning at 10:20am. There are no other changes to this route or schedule.

Route 41 – Shreveport-Bossier Downtown Connector will run every 30 minutes on Saturday and Sunday and will now follow the same pattern as Route 20, serving the Shreveport riverfront district both outbound (Aquarium stop) and inbound (Fannin St. & Commerce St. stop).
